## EDUCATION

Degree/Grade	Institution	Score
B.E in Mechanical Engineering	KLS VEDIT, Haliyal	8.3/10 CGPA [2021]
Senior Secondary (PUC)	H B P U College, Kumta State Board [Karnataka]	66.3 % [2017]
Secondary (High School)	Gibb High School Kumta State Board [Karnataka]	89 % [2015]

## EXPERIENCE / PROJECTS

### PowerPoint Animator - Internship

June 2021 – July 2021

Creating animated slides in Microsoft PowerPoint. The scripts are based on primary and secondary school Books. Based on given visual the animation needs to be done on MS PowerPoint.

### Innovative Solar tubular daylight device integrated with solar water heater

June 2020 – July 2021

This project is based on merging both solar water heaters and Solar tubular light. This project is awarded with a certificate of excellence in social innovation challenge held by IISc and Keio University, India-Japan Laboratory.

### Mathematical Modeling of mechanical Systems

September 2020 - October 2020

Undergone internship in Decibels Labs Pvt Ltd for duration of 4 weeks. During the internship completed project on Model Based Design of NiMH cell, Spring mass Damper and Thermal Modeling of House

## ADDITIONAL SECTION

- Built an advertisement animation and Logo for a startup company
- **TCS ION NQT Score** - 1416/1800
- Participated in GUVI - Build a face recognition app using python as a part of AI for India Event

## SKILLS

- Video Editing
- Animation
- 3d modeling
- UI design
- Logo design
- Mechanical machines maintenance
- Troubleshooting
- Repairing
- Microsoft office
- Multitasking

## SOFTWARES

- Adobe Premiere pro
- Adobe After effects
- Blender
- Adobe Illustrator
- Figma
- MS Office
- Solid Edge

## AWARDS/CERTIFICATES

Animation training - Aftereffects

Industry 4.0

Machine learning

Solar pump design and Installation

Learn to design own solar system

AI for Everyone

## LANGUAGES

English, Hindi, Kannada,  
Konkani

## HOBBIES

Music, Cricket, Movies,  
Technology
